Would you be willing to help organize the Tamazight program? Please describe in your own words how you could help make this program successful. You can use the suggestions below or make your own suggestions.

ACAA will make every effort to keep these courses as low cost as possible. Participants will be required to pay a portion of the cost. All ACAA members will be asked to help get this program started and hopefully if we all pitch in, it could become very successful. You can help by making a donation to help cover the costs for the teachers, classrooms, and other necessities. You can volunteer to help with children's activities to make the program more enjoyable. You can also contribute by donating Tamazight teaching material or simply by bringing snacks or school supplies, etc.
